

Recycling

Residents are provided a blue, wheeled, 48 or 96-gallon cart for recyclable waste. This service is \$5 per month and is included on your water/sewer bill (as \$10). If you do not have either of those services through the village, yearly invoices are sent out in the amount of \$60. Pick-ups are every other Wednesday, depending on your location in the Village. Any questions regarding recycling can be emailed to [info \[at\] milan.il.us](mailto:info@milan.il.us)
